Electronic Funds Transfer (EFT)

Many people use Electronic Funds Transfer (EFT) because it greatly simplifies the payment of their pledge and makes it easy to plan for their personal budget. It is helpful to FUS as well by providing steady monthly income and reducing the number of checks that need to be hand processed.

Yes, Sign me up for EFT to pay my pledge **No, I will not be using EFT**

Important Notice to ALL Users of EFT (current and new): You must renew your EFT withdrawals each pledge year.

EFT withdrawals are for one pledge year only – withdrawals will NOT automatically continue at the end of the fiscal year. If you are currently using EFT to pay your 09/10 pledge, your withdrawals will END with your last payment in June 2010.

Please complete the form on the back to set up or renew your EFT ➡

Three Ways to Think About Your Pledge

- Your personal commitment: a percentage of your gross income
- Your Fair Share: if each FUS household pledged \$1,500, we would meet our budget needs.
- FUS' needs: to hold programs steady, we need a 12% increase in total pledge revenues in 2010-11.
